Ireland - Mission Report

Blessed be the Name of the Lord Jesus Christ !!!

As per the divine plan and also received invitation from the Dublin Prayer Fellowship for the family retreat, we have been to Ireland, to continue the work of God which was started in 2019 through us.

During the mission we have experienced great move of God in our midst. God has ignited many people to go for street evangelism. Many people received salvations, physical healing, emotional healing and deliverance, and reconciliation among families. And also many youngster delivered and emotionally healed during the one to none ministry time. Our Lord has raised many testimonies.

Thanks to all who have prayerfully supported and encouraged us to do His work in the land of Ireland during this season.

Special thanks to West Street Christian fellowship, Crewe. (our home Church) UK.
