

# Father's Heart

For everyone to come to repentance

## Ireland Mission Report

(8th April to 12th April 2023)

**“The Lord is not slack concerning His promise, as some count slackness, but is long-suffering toward us, not willing that any should perish but that all should come to repentance.”- (II Peter 3:9 NKJV)**

Since 2019, the Spirit of God has instilled within us a passion for Ireland and a clear calling to carry His message of the Gospel to the people there. Through prayer and obedience to God's will, we have been witnessing the mighty move of God in the land of Ireland every time we set foot on the field. In our latest mission, we were able to deliver His heart to the people of Ireland and have had the privilege of witnessing, 12

Geetha, Diana (who we met during the street Evangelism) and Joseph

individuals accepted Jesus Christ as their Lord and Saviour. Additionally, many others have experienced inner and physical healing, and been freed from bondage in the Name of Jesus Christ.

Toward the end of 2022, we sensed in the Spirit that the Lord would be sending us on a mission in April of the following year (2023). As a result, we made arrangements to take time off from our work and made ourselves available to Him. While we were praying for a mission when we received a call from DPF Women's Fellowship inviting us to their 4th anniversary celebration. We felt that it was a calling from God and accepted

the invitation, along with other missions.

Our church, West Street Christian Fellowship (WSCF), prayed for us and sent us to the mission field. In addition, all our intercessors and WSCF mission team were praying for us. During our mission, we were able to witness the power of prayer. We are thankful to God for all those who stood with us in prayer.

### DUBLIN PREYER FELLOWSHIP

DPF has organized separate fellowships for both women and men, as well as a cottage prayer meeting where the Gospel was shared with non-believers.

### STREET MISSION

We have been sent to Ireland by the Spirit of God with His heart for the people there, to spread the message of the Gospel on the streets. As a result, many individuals were able to receive salvation, experience healing, and be delivered in the powerful name of Jesus.

### ICRM REDEEMER CHURCH

We have received an invitation to speak at the Sunday service of ICRM, and we had the opportunity to preach during the service.

# Street Evangelism

(Mornings 10th April 2023 11th April 2023-12th April 2023)

"Father's Heart's mission is to reach lost souls. During evangelism, we witnessed people experiencing the move of God as they committed their lives to Christ. We physically saw tears in their eyes as they received their salvation."

In Henry Street and Tyrildestown Dublin, we shared the message of the Gospel, one-on-one on Monday, Tuesday and Wednesday 's mornings. We distributed 4-point Gospel tracts and preached the Gospel to whoever stopped to listen. Ten people accepted Jesus Christ as their Lord and personal Savior, and we gave them New Testaments as a gift. Also encouraged them to attend the local church.

The gifts of the Holy Spirit were at work as we preached and prayed with the people, delivering words of knowledge and wisdom. This time, as we prayed for someone, demons manifested and were cast out in the name of Jesus.

## DPF WOMEN'S FELLOWSHIP

*"Awake, awake, Deborah! Arise, Barak, and lead your captives away,"- Judges 5:12*

Encouraged women to build their families through Godly wisdom obtained through having an intimate relationship with God and standing in the gap for the nation as a prophetess Deborah.

## DPF MEN'S FELLOWSHIP

*"I desire therefore that the men pray everywhere, lifting up holy hands, without wrath and doubting;" -I Timothy 2:8 NKJV*

Men were encouraged to be strong in Christ order to be perfect leaders of the family and to raise the next generation as strong leaders in Christ.

## SUNDAY SERVICE

*"the Spirit of Him (God the Almighty) who raised Jesus from the dead dwells in you,"- Romans 8:11 NKJV*

Resurrected life in Christ makes us a new creation, righteous in Him and empowers us to be ambassadors of Christ.

## Jeyanthi Sukumaran's testimony

Brother Joseph's and Sister Geetha's trip to Ireland in April 2023 impacted my family and I greatly. It was a blessing when he anointed my daughter as a worshipper of God. He spoke a prophecy of over her life and we were thrilled and fascinated to hear it. His words felt comforting and true. He revealed problems my other daughter was facing that was unbeknownst to him. We were amazed to see God speak through him in a detailed manner. Furthermore, Brother Joseph prophesied over my husband's career. Overall, it was very uplifting spiritually and increased our faith in God. It felt like a confirmation sent through the servant of God to my family. We were truly blessed.

## Usharani' testimony:

A short testimony of hand of Jesus Christ in my life

During December 2022, I came to bank holiday womens prayer expecting that God will speak a word to me through the meeting but it went as usual and nothing happened. While waiting for bus to return home, my heart was troubled and cried to Lord whom I felt silent.

Then as usual I forgot and started the new year with some issues of weakness and depression due to my fathers loss in August 2022. I have been to a promotion interview during first in which I was confident that God will give it because the job duties is what God was training me for long time. But unfortunately I didn't get it and I was totally knocked off. The work was also became soo tough as well as with colleagues. I realised Satan is fighting in my areas of life. February went off with God and March became soo heavy in body, soul and spirit like God removed the hedge of Job and gave permission to touch his body with sickness. The first week of March was sick with one sickness which I started to recover but the again fallen sick with high temperature for a week. I reminded in home and went to work for few days. I was too depressed with many many things which I couldn't do anything and no interest in eating also.

The month of April came, through one of Godly sister in Christ invited me for a prayer in their house where Joseph anna and Geetha akka minister. Before going to the house I prayed to God that I just don't want any disappointments. Joseph anna was preached about the message of God wants to bless his people like Abraham. Then Joseph anna and Geetha prayed over me. Akka was really comforting me for my depression issues of my dad's loss. God spoke so precisely and specifically through Joseph anna which I really want to testify. Anna told that me and my father had an issue like arguments which was not settled. Actually this was the incident which I felt I didn't ask sorry to Father and now he is not there. It was like sting in my heart for longtime which I never shared to anybody.

God spoke through anna that it was God plan things like that. Secondly, Anna told that in your job, people are against me and some issues in work. The next thing which God spoke through Anna really a revelation to me. He told that you supposed to get an promotion but they told that you are not ready for the job. Actually after my interview my manager called and gave feedback like this "I am not ready" for the job. How great Jesus Christ is because those words in my heart was sting and I really struggling after interview to work wholeheartedly. I prayed God to healing hands as well and Anna told that also people are getting healed through me and that's why Satan is trying to steal my Joy and peace through work issues.

They both prayed over me and instantly felt a great deliverance.

Jesus who know all of my pains, weakness, sickness, depression, struggles, desires sent Anna and akka especially for me which I realised when Geetha akka announced the name of Deborah for the message because my baptism name was "Deborah" which God spoke about the topic in January. I felt that my cry in bus stand really moved God's heart and spoke instantly to Godly people who are really in Christ where the Holy Spirit is the one working in all of the members of body of Christ.

If I go through all the details of just four months how Jesus orchestrated my life, I need to write a book.

Job 37:5 God's voice is glorious in the thunder. We can't even imagine the greatness of his power. This verse is for this years promise for the women's group.

Amen and Amen.
